For mothers who feel the need to indulge herself in beauty, then we have the answer for you! Pamper yourself with special facial and body treatments and slimming courses. Get rejuvenated and bring the sparkle back into your life.

We will have special and fun activities for the whole family to celebrate. Dunkin' Donuts is also organising the Munchkin World Demonstration where they will showcase their new product which will take place on the 26th of April and the 5th of May.

Well, we have not forgotten the young ones! Maju Junction have organised a colouring contest for kids to keep them preoccupied. Lots of great prizes are up for grabs. This contest will be held at the concourse area of the mall on the 6th of May.

The Women's Aid Organization (WAO) will make their presence felt as they will be having a road show on the 21st and 28th of May. This road show will focus on women and how women can be seen as an important aspect of our society, the fulfillment of equal rights for women and to work towards the elimination of discrimination against women, in particular the elimination of violence against women. Come and learn more on this and maybe help someone you know who might need the support and advice from WAO.

So, come over to Maju Junction Mall and celebrate Mother's Day with us! Have lots of fun shopping and learning new things with the whole family. At Maju Junction Mall, you can Expect The Unexpected. See you there.
